TO WHOM IT MAY CONCERN

NAME: MS TIENNY THE

Ms Tienny was engaged by us from March 2016 to December 2016 to make improvements in our website at www.hafar.com. She also used Wordpress and other programming codes to enhance our website and to make it user-friendly and intuitive. Further, she rendered excellent 3D animations of our logo which impressed us greatly when we first saw it.

In our opinion, Ms Tienny possesses very high artistic ability in the form of animation and promoting excellent functionability in web development. She performs her coding fast and without reference to any technical manual. She also seems to be very familiar with many web programming knowledge that few people have knowledge of.

Yours faithfully
