FOR IMMEDIATE RELEASE
(Tienny The) Wins 2018 Vega Digital Awards

Singapore City, Singapore 17 December 2018 Now in its third year, International Awards Associates (IAA) proudly announces the winners of its 2018 Vega Digital Awards. (Tienny The) has won Arcturus recognition, and the winning work was created by Tienny The.

I was so thrilled and honoured to receive an email from Vega Award dated 17 December 2018 that I have been conferred [Arcturus Winner award](#) for the **elnvitation poster design**. The poster was designed for the *Turtle City: Cavity Monsters Children's Picture Book Launch event* held and listed at [Singapore Writers Festival](#).

The Vega Digital Awards is an international competition for creative professionals who inspire with concept, writing or design, through electronic media. "Once again, we are pleased to recognize the stellar achievements of small and medium-sized web design and advertising companies. These winners are the guiding lights of the global digital communications universe," said Kenjo Ong, President of IAA. "This year's winners represent the very best in both established and emerging talent."

Vega Digital Awards is administered and judged by IAA's panel of internationally-recognized creative professionals, who select winners based on rigorous standards of excellence. [Tienny The](#) joins the list of previous winners, some from such diverse companies and brands as BMW, TED, Mastercard, Ford, Allianz Global Investors, Lionsgate Entertainment, Walt Disney Studios, Warner Music Group, Longines, Subaru, MINI, Airbus, Amalgamated Bank, Welder Watch and Royal Canin.

Entries in 325 professional and student categories including, for the first time in 2018, Virtual Reality and 360 Video, Video Channels and Networks, Audio and Owned Media.

This year's Vega Digital Awards competition included 1,500 entries from 47 countries. "Our field of entries continues to expand, worldwide," Ong said, noting that student submissions also came from a large number of countries. "Their creative talent continues to be truly outstanding and inspiring."

I am currently majoring in Illustration and Animation Design at Raffles College of Higher Education in Singapore. During my study at Raffles, I have enhanced my writing skill especially in scriptwriting. I am adept at using design programs such as Photoshop, Illustrator, InDesign, After Effect, and Premiere Pro. Moreover, I am self-motivated to pursue higher knowledge and acquire rich industry experiences to strengthen my skills and portfolio. Winning Vega Arcturus Award encourages me to strive better and excel in my prospective services to publishers, educational institutions such as kindergarten and child cares and even teaching and training curriculums.
